

GANNON IS ALL READY

He Is Waiting for Howard Carroll to Tender That \$175,000.

The Latter Fears that the Slips Will Be Held Until Nov. 1.

And the Ferry Muddle Is as Far from Settlement as Ever.

"Bring on that \$175,000," exclaimed General Supt. Gannon this morning, as he seated himself in the office of the Staten Island Rapid Transit Company at the foot of Whitehall street.

"What? That money not here?" he exclaimed, as a scrutiny of his desk developed nothing in the nature of greenbacks.

"Well, well, well! This is what I call tramping upon and trifling with the interests of the people. That man Carroll has no more regard for the public than he has for my feelings. Here I am waiting to clutch that \$175,000 and give Carroll possession in peace and perpetuity.

"Does that mean that I'll get out before Nov. 1? Not much. I have paid out until Nov. 1, and here I'll stick until then. Our boats are still running, and will continue to run. Mark you, that is unless we are enjoined from so doing, and as they are not, we will keep on."

"What is this thing of the city of New York trotting by making railroad and ferry companies refuse to take any notice of it? It is one hundred and fifty years behind the times, and when this case is finally disposed of in the courts, the ferry will be free to all who wish to operate them.

"When Supt. Gannon had thus delivered himself to an 'Evening World' reporter he added:

"I will not attempt to evade the service of that \$175,000 upon me by Mr. Carroll, but will sit here a week if necessary."

"When informed that he could have obtained the money by going to the Comptroller's office he said:

"What is Hecuba to me or I to that? I mean I don't keep a shop in the Comptroller's office."

"Howard Carroll was informed that Mr. Gannon was seriously waiting in the Rapid Transit Company's office for the \$175,000, and he said:

"Well, he has a nerve!" ejaculated Mr. Carroll.

"Now \$175,000 is not a small sum. What guarantee have we that those fellows down there won't grab the money and keep it, as they are now keeping the ferry slip, in violation of law. That money was in the office of the Comptroller yesterday, and Gannon should have gone there and received it."

"Gannon is in a defiance of law. Why don't he give us our property? Let him come and get the money right now, but hold on, I'll go see my lawyers. There may be some developments after 5 o'clock."

"When asked if the actions of Mr. Gannon and himself in avoiding each other did not smack of opera bouffe, Mr. Carroll said:

"Maybe they do, but it would be more like opera bouffe if we got possession of the money and refused to give up the property."

"So the Staten Island Rapid Transit Company continues to run its boats, and, presumably, Howard Carroll still stands upon his feet."

"Comptroller Fitch stated to-day that he is prepared to order the Staten Island Rapid Transit Company to stop running the ferry slip, just as soon as the payment of the purchase money is made."

"But he is not going to order the company to stop running the ferry slip until Nov. 1, though they have paid their rental. As to the question of the ferry slip, we have to see the Corporation Counsel about."

LIBROWITZ FILES BONDS.

The Vesey Street Liquor Store Released from Federal Custody.

Julius Librowitz, a wholesale and retail liquor dealer, at 42 Vesey street, indicted by the United States Grand Jury for illicit distilling, and who was held in \$10,000 bail to-day, secured the release of his store and its contents, valued at \$14,000, by giving the necessary bonds.

The bonds were given by Oscar L. Librowitz, a banker, Broadway, who qualified in \$6,000, and his wife, Alice Librowitz, of 11 East Twenty-second street, who qualified in \$8,000.

NARRAGANSETT ENTRIES.

The Only Place Where New Yorkers Can Now Enjoy the Sport.

The closing of the race tracks in this State, leaves Narragansett Park the only place where New Yorkers can enjoy their favorite sport. The card offered to-day is fair in quality and there should be several excellent races.

Sir Knight, Figaro and Marshall ought to finish close together in the third race, and the sprinters in the fourth ought to furnish an interesting contest.

The track will be dry and fast. The entries and selections are as follows:

First Race—Five furlongs. Bully 8, 10, 12, 14, 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, 36, 38, 40, 42, 44, 46, 48, 50, 52, 54, 56, 58, 60, 62, 64, 66, 68, 70, 72, 74, 76, 78, 80, 82, 84, 86, 88, 90, 92, 94, 96, 98, 100.

FOR THE SAFETY OF THE CAZAR.

Special Police Precautions on the Island of Corfu.

Russian Church Concession to the Czarewitch's Placings.

(By Associated Press.) CORFU, Oct. 15.—The Greek Government and the local authorities of the island of Corfu are taking measures for the safety of the czar. The police are carefully watching all the strangers at Corfu and all arrivals from this time on will be required to give good accounts of themselves.

The chateau of the King of Greece is being placed in thorough order for the use of the czar. Several Russian officials have already arrived here, and others are expected shortly.

The police precautions will include a patrol of the shores of the whole island in order to prevent the unauthorized landing of strangers.

BERLIN, Oct. 15.—The Kreis Zeitung says that Princess Alix of Hesse has obtained concessions from the Russian Holy Synod, such as no Princess in a high position ever before secured in embracing the Orthodox faith.

She will not declare her former religion to be accused, nor will she state that her conversion is due to the conviction that the truth lies not with her own but with the Russian Church. The Holy Synod is joined with a simple declaration that the Princess Alix of Hesse, in her future husband, the present Czarewitch.

REBELS GAIN STRENGTH. Maputas Joining the Kafirs Against the Portuguese.

(By Associated Press.) LOURENÇO MARQUEZ, Oct. 15.—The Governor has issued a proclamation stating that the authorities cannot be responsible for the safety of the inhabitants during the Kafir attacks, unless they remain in the Market Square.

Traders from Maputa state that the Maputas are joining the rebels. The powerful Chief Gungunhana is reported to be marching on Inhambane, a Portuguese town of about 6,500 inhabitants, lying 20 miles northeast of Delagoa Bay.

GLADSTONE NOT TO BE A FRIL. LONDON, Oct. 15.—The assertion was printed to-day that Mr. Gladstone had entertained the idea of taking Holy Orders, that it was for this reason he had retired from public life, and that if his health and sight should allow it he would shortly be a candidate for ordination. Mr. Gladstone, replying to a telegram of inquiry, said the assertions made were quite untrue.

EUROPEAN SAIL IN CUBA. (By Associated Press.) LONDON, Oct. 15.—A despatch to the Times from Simla says that the safety of Europeans in Cuba is not likely to be endangered, as that city is garrisoned with troops who are devoted to the American's family. The rabble in the city would be checked in case of an attempted outbreak.

BRITONS AND CENTRAL PACIFIC. (By Associated Press.) LONDON, Oct. 15.—At a meeting held to-day, the English security holders of the Central Pacific Railroad voted that a Committee of Seven be appointed to take such steps as it might deem desirable to represent and protect the interests of the European shareholders.

An action was also adopted that the Committee secure the services of Sir Charles Wilson, and arrange with him to go to America in the interests of the shareholders.

The Committee is composed of George Frederick Bamford, Member of Parliament for the Peckham Division of Camberwell; John B. Akroyd, A. P. Compton, Daniel Marks, J. H. Peabody, Joseph Price and W. Newhead.

GOSSIP OF THE TURF. Bob Rose paid a dear price for Clifford when he gave \$25,000 for him. The colt is in the pink of condition just now, but he does not rank high class. Domino, Henry of Navarre and Sir Walter have beaten him in succession. As Rose has supported his colt with confidence, it is probable that Clifford owes him \$40,000 to-day.

Doggett rode an excellent race on Sir Walter in the special yesterday. Knowing that Clifford and Rubicon had but one burst of speed, he tipped the pair from the start with the result that both were ready to drop at the end of a mile. Clifford finished game under punishment, but few horses can beat Sir Walter out when it comes down to a hard drive. Rubicon was badly beaten. This fellow does not rank anywhere near high class, and the streak of yellow that was due to be part of his make-up showed mainly yesterday. Jack McDonald lost heavily on the colt.

Two horses, bid at Narragansett yesterday, the first, Rolia, the favorite in the first race, and South Side, in the third race.

Lord Harry has not recovered from his breakdown as to take regular exercise.

Bill Daly was earnestly trying to convince John A. Morris yesterday that the Pocket Club ought to reinstate him.

Phil Dwyer says the Brooklyn Jockey Club will certainly give a race meeting next year, whether the amendment prohibiting betting goes through or not.

The racing associations have a nice surplus, and it is only fair that part of it should be hung up to the horsemen. Mr. Dwyer did not say so, but he intimated that a man could bet all the money he desired. Handicappers probably made, as at Jerome Park several years ago.

Gottfried Walbaum, the President of the Saratoga Association, said yesterday that the only thing that saves Col. Clark to officiate instead of Judge Burke, was that he wanted a change. A week reason, and probably not a true one. Judge Burke possibly blocked too many of Walbaum's games. If the latter were left alone to carry out his schemes, he would have the most unique race track in the world.

Judge Simmons says that the talk of the Washington Park officials concerning a fund of \$100,000 in "wildcat" real facts are that the property purchased for \$100,000 is now worth \$2,000,000, and the members want to realize.

Passed "Wildcat Money" in Indiana. (By Associated Press.) ANDERSON, Ind., Oct. 15.—A stranger succeeded in disposing of nearly \$100,000 in "wildcat" money in this city. He has escaped. The bills were of the old State issue and principally on the Tippecanoe Bank, of Logansport.
